## Scoot to Operate Non-Stop Singapore-Berlin Return Flights with Expansion of Singapore's Vaccinated Travel Lanes

- *Scoot will fly daily between Singapore and Berlin with effect from 19 October 2021*
- *Scoot will operate more VTL flights in the months ahead as travel resumes in a safe and calibrated manner*

Singapore – Scoot will resume three-times-weekly non-stop flights between Singapore and Berlin on 19 October 2021, following Singapore's expansion of its Vaccinated Travel Lanes (VTL) arrangements. Scoot will also increase the frequency of its non-VTL Singapore-Athens-Berlin return flights to four-times-weekly, with effect from 17 October 2021. Customers on these flights will have to undergo prevailing Stay Home Notice measures when they arrive in Singapore. Consequently, from 19 October 2021, Scoot will operate daily between Singapore and Berlin.

TR735, [Scoot's first designated VTL flight](#) from Berlin to Singapore, will depart Berlin Brandenburg Airport on 20 October 2021. This will allow eligible vaccinated passengers to avoid the need for quarantine in Singapore, subject to them meeting regulatory requirements. Scoot is also preparing to operate VTL flights to Seoul, South Korea, subject to regulatory approval. The commencement date will be announced in due course.

Flights to Berlin are now available for sale on [flyscoot.com](#), with promotional fares starting from SGD200 / EUR180 (including taxes) from 9 October 2021 to 17 October 2021, GMT+8 2359, subject to availability. Customers must ensure that they are eligible for Singapore's VTL arrangements before their flights.

Scoot CEO, Campbell Wilson, said, "Scoot, the recently-crowned *World's Best Long Haul LCC*, is delighted to be able to offer great-value quarantine-free travel with our new non-stop Singapore-Berlin flights. Quarantine-free travel is a welcome step toward the world we all fondly remember, where we were free to pursue our wanderlust, and enjoy new places, people and experiences with ease. Throughout the pandemic, Scoot has been working hard to set the bar even higher, adding value, improving services and deploying new health safety measures, and we are excited to help people Scoot with ease again."

Scoot was recently awarded World's Best Long Haul Low-Cost Airline and Top 10 World's Best Low-Cost Airlines in SkyTrax's World Airline Awards 2021. Scoot is also the first low-cost carrier in the world to be awarded both the highest 5-Star rating in the Skytrax Covid-19 Airline Safety Audit, and the highest Diamond status by global airline safety audit, APEX Health Safety powered by SimpliFlying.

Customers with existing bookings for Scoot's Singapore-Athens-Berlin and/or Berlin-Athens-Singapore flights who meet the VTL requirements may opt to be reaccommodated onto Scoot's non-stop Singapore-Berlin and Berlin-Singapore flights with a one-time change fee

waiver, subject to prevailing fare differences. Scoot will reach out to the relevant customers and provide more information for bookings made on/before 9 October 2021 for departures from 19 October 2021. More details are available on [flyscoot.com](https://flyscoot.com).

### About Scoot

Scoot is the low-cost arm of the Singapore Airlines (SIA) Group. Scoot took to the skies in June 2012 and merged with Tigerair Singapore in July 2017, retaining the Scoot brand for a new chapter of growth. To date, Scoot has carried over 65 million guests, and has a fleet of close to 50 aircraft, comprising its widebody Boeing 787 Dreamliners and single-aisle Airbus A320 family aircraft. Scoot's network presently encompasses 68 destinations across 15 countries and territories in Asia-Pacific and Europe. Travellers on Scoot can earn and redeem KrisFlyer miles. Scoot was the world's first low-cost carrier to attain the highest ratings for both the APEX Health Safety powered by SimpliFlying and Skytrax Covid-19 Airline Safety Rating audits. In 2021, Scoot was recognised as the 'World's Best Long Haul Low-Cost Airline' and ranked third in the 'World's Best Low-Cost Airlines' in the World Airlines Awards by Skytrax. Scoot provides a safe, reliable and affordable travel experience with a unique attitude – Scootitude, and is passionate about enabling people to embrace the full potential of traveling and seeking new experiences.
