Scoot took to the skies in June 2012 and merged with Tigerair Singapore in July 2017, retaining the Scoot brand for a new chapter of growth. To date, Scoot has carried over 74 million passengers, and has a fleet of over 50 aircraft, comprising widebody Boeing 787 Dreamliners and single-aisle Airbus A320 family aircraft. By 2024, Scoot plans to add the Embraer E190-E2 to its fleet. Scoot currently flies to 68 destinations across 15 countries and territories in Asia-Pacific, the Middle East and Europe.

As part of the SIA group, passengers on Scoot can earn and redeem KrisFlyer miles, enjoying more rewarding travel journeys and access to enhanced benefits.

Scoot provides a safe, reliable, quality and affordable travel experience with a unique attitude – Scootitude – a passion for travel, connecting people and cultures, and pushing boundaries, which drives it to continually innovate, strive for improvement and seek new opportunities.
